BAY PATH

SUPERINTENDENT'S MESSAGE

Message from the Superintendent Director

On behalf of the Faculty, Administration, and School Committee, congratulations on completing your High School years at Bay Path Regional Vocational Technical High School. The education you received should serve you well in the future. Please remember, there is no substitute for hard work and dedication. Your future success will depend on your willingness to apply all that you have learned.

Although most of you have been at Bay Path for four years, please do not consider this short time as your last years spent in formal education. Many of you must realize you have an abundance of talent which could be further developed to maximize your full potential. Consider continuing in education beyond Bay Path on a full or part time basis at a local community college or four year institution.

As a vocational graduate you have the best of two worlds, a vocational skill and an academic diploma which will enable you to grow within your vocational area or profession. Society will depend upon your skill as a vocational technical graduate. Participate in community activities and take an active role in society.

Once again, congratulations and best wishes for future success!

The class of 1997 would like to dedicate our yearbook to Mr. & Mrs. Johnson to show appreciation for all that they have done for us in the last four years.

Mrs. Johnson in addition to her school duties is one counselor who you could always count on whenever you had a problem or lend a listening ear.

Mr. Johnson when not officiating hockey games was trying desperately to help us and get everything straightened out so we could all graduate. (an impossible task)

Without their aid and assistance our class couldn't have made it, we can't thank you enough for all you've done. Thank you for being there for us.

SENIOR CLASS OFFICERS

Left to right: Yajaira Miranda, (Yaji), Treasurer, likes Jeff, potato salad, and watching the Bay Path Football team run over their opponents.

Kara Earnest, Secretary, likes Rob, cheering, flowers, music, laughing and thinks that there are no reset buttons in life.

Shaun Peña, (Peña) Class President.

Amanda Buxton, (Blondie), likes guys, the Red Sox, red Saabs, camping, and being happy. She will be attending the University of Tampa in Florida.

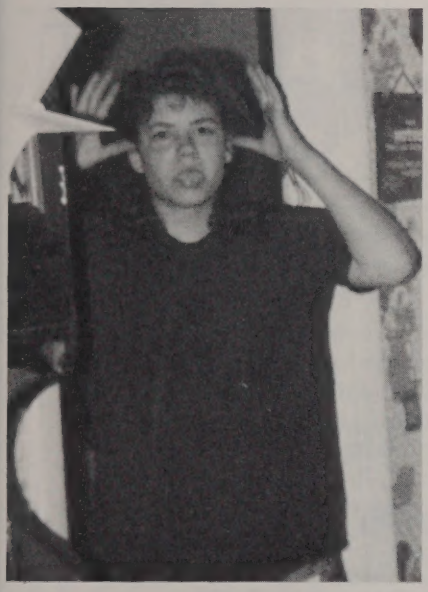
CONGRATULATIONS!!

All my friends of 1997, I will remember you always!

To all my Graphic girls, you will forever be in my heart. I hope that all of you live your lives to the fullest.

Leah, Rob, Ray, Josh, Ted, Corey, Mandy, and Tracy . . .
I am very proud of you. I hope we keep in touch.

My darling Peter may your life bring you happiness, and may your dreams come true. I am so very proud of you for this wonderful accomplishment. You were given wings, so now you can fly away to do whatever you choose.



Congratulations Sabrina
Our Princess. We know you will succeed in life, we are very proud of you and love you —
Mom, Dad, Jamie, Heidi & Joey

To Mr. Giacopello

Have you ever had somebody wonderful touch your heart
Someone who is always open-minded and willing to give you a fresh start
Someone who made you believe that dreams come true
Someone that when you had problems saw you through
A person who's bright smile warmed your day
Who stuck by you come what may.
Our special teacher who went beyond the call
No matter what, gave us his all.
No loving, more caring teacher could there be
Than our own beloved teacher, Mr. G.
Who stood by us through thick and thin
Always encouraging and never letting us give in.
There is no way to express a big enough thank you
For all that you've done and continue to do.
For us you could not have possibly done more.
You taught us in life everything is an open door.
For love and guidance you never lack
Now is our chance to pay you back.
For making a family out of one class
So that we all helped each other and let hard times pass.
There could not be a man who is loved as much
Who has in every one of us a special place touched.
We know he'll be there to see us through the rest of the way.
For all his kindness we couldn't possibly repay.
We hope someday we'll fill him with pride
When we've all spread out far and wide.
We hope he knows our hearts are always with him
That our appreciation and love will never grow dim.
So once again thank you, Mr. G.,
For being everything that you could possibly be.

— Ericka Veinot

Love always, The 1997 Graphics Kids

Dave, You will succeed once you get past a few obstacles.
Love,
Your family

To the Graduating Seniors of the class of 1997: This book with all your memories is the result of much hard work and dedication. The people who spent countless hours during vacation time and after school to put this together know who they are and they have my undying gratitude for all they have done. I certainly can't list them all here, but I must mention Maria Lawson and Katie Chipman for their design work and ideas that fought hard for implementing against a somewhat old fashioned advisor. For their for-seight and effort I know that being editors of their Senior's Yearbook is a small reward, but it carries with it the knowledge that they can show this book proudly and know that they did a fine job.

Thank you,
Mr. G. & Mr. D.

We Know Who Is Important . . . . .
